

## Horribly Hilly Hundreds Ride Week Update

Dear HHH Riders,

The FBMSPP welcome you to the 2019 Horribly Hilly Hundreds. Winter was hard on Wisconsin roads this year and there are many rough sections of road. Maybe a slightly wider set of tires is worth considering, unless you are already on your fat bike! Please pay attention to all caution signs, and be especially careful on downhills, including Ryan Rd. There are patches of gravel to be aware of from road construction that have not been paved over yet. Although short sections, this can still be a hazard if going too fast. Be a courteous rider and call out these things so the riders behind you aren't caught off guard.

Please, Please drive and ride safely and in control at all times. Enjoy and respect the beautiful area that this ride covers. We are sharing the road with all other users. Cars, trucks, farm machinery, deer, turkeys etc are all out and about. Share the road, share the pain, share the smiles.

See you at the top of the Mound on Saturday.

- Friends of Blue Mound State Park

150K starts at 7:00 am (Follow Blue Arrows)

100K starts at 7:20 am (Follow Pink Arrows)

**\*\*\*START LINE CLOSES AT 7:45 am\*\*\***

## **Start Location:**

The line moved in 2016 a couple blocks to the intersection of:

### **Division St. and Main St. in the Village of Blue Mounds.**

From Blue Mound State Park, follow arrows:

- Riders proceed down (south) Mounds Rd.
- Turn left (east) on Ridge St.
- Turn right onto Main St.
- Riders will then enter the barricaded corral

At the start of the ride, as riders are entering the corral, they will receive their wristband.

**The wristband allows riders access to the food and beer at the finish line.**

### **STARTING BEFOREHAND AND NOT ENTERING THE CORRAL WILL FORFEIT YOU FROM YOUR WRISTBAND.**

Ride officials and **local law enforcement will be cracking down** on riders who start beforehand and not at designated starting times. The start offers important last-minute update announcements from our route commanders, reminders of lawful expectations, and the overwhelming feeling of camaraderie. Rider safety is extremely important to us and starting early puts our riders in un-needed danger.

Our Aid Stations, Water Stations, Volunteers, SAG Support and Law Enforcement are scheduled at specific times and will NOT be available to those who break the rules and start early. We urge you to refrain from doing this. Riding prior to the official start time is **NOT PERMITTED** and **will result in you not receiving your food/beer wristband**, as well as **riding without food, hydration, or SAG support**. Again, local law enforcement wants to see this change made, or we may not be welcomed back in the future. Please help us make this change!

## **RULES OF THE ROAD**

**Horribly Hilly Hundreds is a bike ride, not a race. Please keep this fact in mind as you prepare.**

**ALL TRAFFIC LAWS MUST BE FOLLOWED AT ALL TIMES. VIOLATORS WILL RISK BEING CITED AND/OR FINED.**

Please respect the residents and municipalities whom have so graciously granted us the rights to ride through their communities. Plenty of resources are provided along the course. We will not tolerate violations of law; acts of trespassing, public urination, disorderly conduct, etc. could lead to sanctions including an event participation ban and/or prosecution.

### **IMPORTANT INFO ABOUT BLUE MOUND STATE PARK**

Registration for the Horribly Hilly Hundreds includes a day pass to Blue Mound State Park, including complimentary use of the pool and shower facility. The passes will be available at packet pick-up, but only take a pass if you need one. Please place day pass on the window of your vehicle and you will not need to stop at the entrance booth on the way in.

## Accountability Chip Tracking

### ***ALL RIDERS WILL HAVE AN ACCOUNTABILITY CHIP***

*All riders will be wearing an "accountability chip".*

### ***This chip is NOT for timing!***

*This chip is purely to help us keep track of all of our riders. With such a sprawling course, we want to make sure everyone has a fun and **SAFE** event. There will be mats at the start and finish, and check point mats along the course. These mats will allow us to narrow down where our riders are and make sure everyone finishes safely. We stress again that this is a **RIDE**, not a race and these chips will **ONLY** be used as a safety measure. This is another reason why it is important that you start at the designated starting times.*

**GOOD LUCK RIDERS!**
